

## STUDENT GROOM PRICE LIST

**The price for a student groom is half the price of a standard groom.**

The dog will be groomed by a student but overseen by a qualified groomer, the groom will include all services but may take a little longer. Toilet breaks and water will be provided for the dog.

- All breeds are catered for, if you cannot see your breed please contact us for a price.
- All breeds prices are from, and dependant on coat condition, style and behaviour.
- Prices are for clipped pet trims, based on an appointment every 6 to 10 weeks (unless stated otherwise). If you haven't attended within that period we may add an overgrown fee of £5 to £10 onto the price, due to the extra work/time required.
- We would require your pet to be brought to the salon at an allocated time and collected when advised.
- Fleas – if your dog is found to have fleas the groom will be terminated and collection will be required immediately. A £15 charge for flea treating the salon will be required.

For our standard grooming prices visit [www.linbydoggrooming.com](http://www.linbydoggrooming.com)
