

STUDENT GROOM PRICE LIST

The dog will be groomed by a student but overseen by a qualified groomer. The groom will include all services but may, understandably, take a little longer. Toilet breaks and water will be provided for the dog.

- Most breeds are catered for; if you cannot see your breed please contact us for a price.
- All breeds prices are **from**, and dependant on coat condition, style and behaviour.
- Prices are for clipped pet trims, based on an appointment every 6 to 10 weeks (unless stated otherwise). If you haven't attended within that period, your dog will not be suitable for a student groom.
- We would require your pet to be brought to the salon at an allocated time and collected when advised.
- Fleas – if your dog is found to have fleas the groom will be terminated, and collection will be required immediately. Half of the student groom price, plus £15 charge for flea treating the salon, will be required.
